Dear Friends of the Coalition,

This year marks the 10 year anniversary for the Upper Deschutes River Coalition (UDRC). Working as partners with various local (Deschutes County Forester, Project Wildfire), state (Oregon Department of Forestry, Oregon Department of Water), and federal (US Forest Service, Bureau of Land Management) agencies and area residents, the UDRC has reduced the threat of wildfire to 26 local neighborhoods comprising over 6000 private property lots and created the first Community Wildfire Prevention Plan (CWPP) in Oregon. The third CWPP iteration was recently completed and adopted by the Deschutes County Commissioners, our partners and our Board.

The UDRC is now facing an unforeseen financial road block which may force the organization to significantly reduce its services.

Factors contributing to the crisis include the local and national economic downturn, reduced private and public grant funding, and changes in tax laws related to donations. During the last 10 years the UDRC revenue source has relied on public and private grant funding. Private fundraising and donations have also been provided to supplement UDRC operational costs.

Local contractors have been employed to complete fuel reduction projects with approximately \$611,000 in grant funds dispersed. Additionally, UDRC board members and volunteers during the fiscal calendar years 2011 - 2012 contributed 20,277 hours valued at \$445,486. The UDRC has a potential \$20,000 Deschutes County grant for removing woody materials from private property this fall.

The Upper Deschutes River Coalition requests your help in maintaining Southern Deschutes County's quality of life, safety, and beautiful natural environment. We need your financial support to help the UDRC continue operations. [Donate to the UDRC Today](#)

Thank you for your commitment and support in the past. But we need your help right now. Your generous gift will help us keep the Upper Deschutes River Coalition's services operational. You have been there for the Coalition before, and we would like to thank you again.

But this time we need to ask for an extra special gift by September 15, 2013.

Our 2013 full year budget was \$26,000. We need to raise \$1,500 per month through 2013 for operations plus \$2,070 for insurance. [Donate to the UDRC Today](#)

While the financial outlook is grim we are still planning to hold our Annual Appreciation event on September 21 at the Sunriver SHARC (more info below) and hold our annual SOLVE river cleanup on September 28th.

Please spread the word to raise funds so we can continue our services in South Deschutes
